OLMOS '47

FOREWORD

As you hurry on through life at the mad pace of the world of today, we hope that there may be a few moments in which you can stop and meditate and perhaps dream of the days you spent at Heights. High school days are the happiest days of your life, for the gaiety and laughter, the heartbreak and tears are so combined in high school to give you some special something you will never have again. It is for this reason that we have compiled this little book of memories.

We have chosen "Life at Heights" as our theme for this annual. Life is such an important thing, and the days you spend in high school are the beginning of your great adventure into life.

It is the sincere wish of this staff that your life may always be as clear and deep as a crystal pool; and may the image that reflects back to you be one of which you need not be ashamed.

The future of our seniors lies along a narrow path that leads into the Heavens and Eternity. May they always strive and work and build and live that they may reach that goal.

Never in all my years in educational work has there been evident such an awareness of democratic responsibility and sincerity of mutual effort as in the Alamo Heights High School this year.

My personal gratitude to the students and faculty for making this spirit a reality is difficult to express in proper proportion. But, however much it may cover me with an individual feeling of well-being, the assurance that the most important objective of education-democratic living-is becoming more nearly a fact and not just a word-there is the true cause of gratification.

SOPHOMORES

SOPHOMORE CLASS

Scared, frightened, and anxious, a group of newly-graduated junior high students entered high school for the first time to become sophomores. They hadn't been in high school long, though, before they began to make a record for themselves—what a record. They entered into activities wholeheartedly and promoted school spirit one hundred per cent.

Membership in the Alamo Heights Chapter of the National Honor Society is the highest honor our school confers upon any student, for election to the National Honor Society is the recognition of those students who have most nearly attained the basic objectives of education. This society is founded upon the principle that true education creates a well-rounded personality: in the development of the character of the individual and his relationship to those around him. Membership in the Society is limited to ten per cent of the senior class and five per cent of the junior class and the members are chosen by the faculty on the basis of scholarship, leadership, character, and service. Election does not signify perfection, but rather the promise of achievement to be attained.

The art of Journalism is one of which often goes unheralded and unmerited within a school. Few clubs are formed to denote merit in this field; and oftentimes students fail to realize the hard work, the long hours, and the tedious job that journalistically-inclined students have to make your paper, your annual, and your school publicity recognizable and successful.

For those of Alamo Heights who proved themselves worthy of the final reward of Journalism recognition, the Richard Halliburton Chapter of Quill and Scroll was established but a few years ago for this purpose. Each Spring, the Quill and Scroll national organization elects new members to this chapter under recommendation of our Quill and Scroll Sponsor. The candidates must meet certain definite requirements.

Although the membership may be small, the organization is a powerful one, with each member deserving any Journalism recognition he may receive for efforts while in Alamo Heights.

THE SERVICE CLUB AT WORK

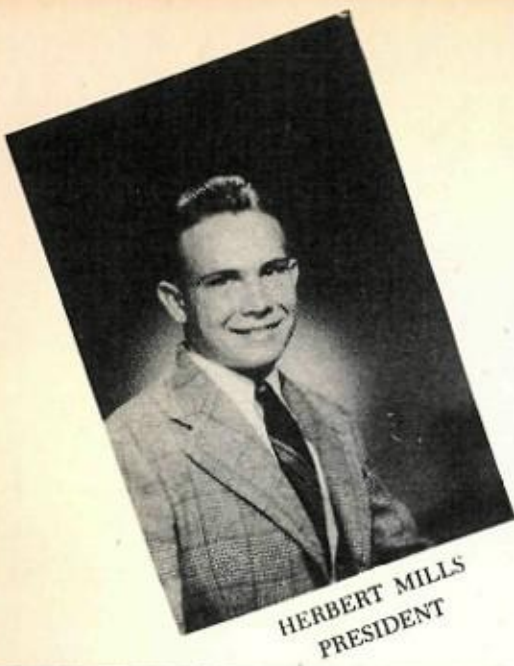

Looking into the history of Alamo Heights organizations one cannot fail to notice the untiring efforts and unending work rendered to the school by a group of girls known as the Service Club.

This year has proved no different from the past, for the achievements of the Service Club are as numerous as ever, and the members continue to make as fine a record. The girls, under the leadership of "Teach" Lighthouse, have undertaken projects in every field from welfare work to social activities. Their contributions are invaluable, and much credit must be given to this earnest and representative group.

CLUB NEWS

The Library Club, organized at the time the high school was built, is composed of student assistants who devote at least one hour a day in the library assisting in circulation work, correspondence, and typing.

The group sponsors several annual activities such as teas for the faculty, Mothers of club members, graduates, and the adoption of a poor family each year.

Y-TEEN

At the beginning of the school year the old Girl Reserve organization became a club with a new name. That name, of course, was Y-Teen, and with that new name came new songs, new ambitions, new purposes, and new ideals.

Records show that the French Shoe Drive, the World Fellowship Campaign, the Red Cross Drive, and recreational activities, such as assemblies, socials, and formals, have been pushed "over the top" by a hardworking cabinet and an able club. Renewed faith and energy seem to have been taken on by each member of the Y-Teen this year and it can be said, indeed, that this year of 1946-1947 has been one of the most active and successful years in the history of this organization.

Shoes for France

"WHAT about the shoe drive?" asked Rose Ann, the co-chairman of the Social Service Committee of the Alamo Heights Y-Teen Club in San Antonio.

"What shoe drive?" asked Jo Ann, the publicity chairman. "There isn't but one, and I don't suppose there's another drive of any kind anywhere that is more urgent. It's for France. There is practically no leather there. People are putting wooden soles on old leather tops, and in wet weather, even if they are lucky enough to have them, these makeshift shoes swell and break. If they have no shoes—and many of the orphans we are in touch with have none—they are in danger of sore throats and pneumonia."

"I didn't know we were in touch with any orphans. Give us some background, and we can help you more."

"Okay, I thought you knew. We got in touch with our orphans through Sgt. Joe Ross, who was stationed near Ste. Genevieve des Bois, a village just outside Paris. He made friends with a French family named Croonds. The father became an invalid in a Nazi concentration camp. The daughter, Jeanne, is a French WAC, and there are other younger brothers and sisters. Mrs. Croonds, a very motherly woman and a person with a strong sense of civic duty, is secretary of an organization called 'L'Association de Femmes Françaises' who have come together for the purpose of providing for a group of war orphans of that village. So our club, through Sgt. Ross, got in touch with this group and decided that, though these charitable and charming French people are in dire need of every type of warm clothing (they ask for old things, and say they will mend them) we would concentrate on one thing which they need—shoes—and that other clubs might help on warm underclothing, jackets, caps, dresses, skirts, socks, men's clothing, nightgowns, coats, etc."

"I begin to see," said Jo Ann. "What do you want us to do?" "Well," began Rose Ann, "we'll need a lot of publicity to make the kids in our club who never have gone cold or hungry, realize what it must be to have to go to school barefooted and hungry on a cold, rainy day."

"Can do," responded Jo Ann promptly. "Jackie Keasler is good at drawing, and Katherine Scott puts out a neat poster, too. And I think if we wrote some songs to sing—parodies, I mean—we could make Y-Teens highly shoe-conscious."

So things (Y-Teens, that is) started humming. "Over there, over there Send the shoes, no time to lose over there So the winter's coming, so start things humming And answer some French mother's prayer"

On toiled Alamo Heights Y-Teen genius. Other classics rilled off the "press"—"I'll Walk Alone" became "We walk barefoot, because to tell you the truth we are shoeless"; the tune to "Cuddle Up a Little Closer" became a vehicle for some very effective propaganda; and four or five pretty girls told in a very tuneful manner that shoes are needed in France today.

Realizing that the cause was urgent, these girls attacked public consciousness from every available angle, including earnest speeches made all over the school. The school authorities

and teachers were wonderful, and the student body really came through, but that was only the beginning.

It was a rainy Saturday morning, but fourteen girls and the adviser were setting up an assembly line when Sgt. and Mrs. Ross appeared to show them how to pack, weigh and wrap the shoes and address the boxes. The efficient chairman and her just-as-efficient members had boxes from a neighboring store; shoelaces, polish, rags and other necessary cleaning agents. They would not, where possible to avoid it, send French friends shoes that they were unwilling to wear themselves.

"I'll take the baby shoes," whooped one.

"I'll man the black polish," said another.

"Me for the brown," said the maiden in levis.

"We'll polish and put strings in."

"I'll sort and pack," said a smart little Titian-head with a knowing gleam in her eye, and did she!

Typists for tags, organizers, recorders, bookkeepers, packers, tyers, sealers, weighers (33 pounds to the box!)—they all toiled for about four hours. Sgt. Ross and his missus really "knocked off" the work, along with the adviser, who had plenty to do, too. But before they left—packed, tied, labeled according to postal specifications, and stacked on a table—were seventeen eleven-pound boxes of neatly polished shoes. The mailing cost \$30, but the membership was glad to back it; financing it with another project. And it was something to know, that simply because the committee had "cared", 140 people would have much needed shoes to wear this winter.

The Same Boat, Brother!

So many requests have come to the National Board for Earl Robinson's recording of "The Same Boat, Brother" that Alco is now making the record available singly, although the reverse side is incomplete, carrying part of the "Tower of Babel". The individual discs sell for \$1.50 (shellac), and \$2.00 (plastic), plus postage. They will be glad to send copies C.O.D. HI - Y

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character.

Hi-Y activities throughout the year have been many and varied. They gave several social functions, prepared the bonfire for the pep rally just preceding the Edison game, sponsored a canned food drive and collected enough to supply five families during the Yuletide season. Collaborating with the Y-Teens, the club presented a most memorable Christmas assembly.

In the spring semester, a large number of delegates from the local club attended the Hi-Y convention in Corpus Christi, where they explored problems of the high school youth.

BAND

Among the necessary and very vital organizations within a school is the school band. The Alamo Heights Band is one of which any school could be proud for certainly the members of the group devote, unceasingly, their time and talents.

Without Mr. Arsers, the director, the band would be sadly lacking, for since the time he came to Alamo Heights several years ago, the band, each year, has risen steadily.

SWING BAND

The Swing Band under the direction of Mr. Pat Arsers is composed of Alamo Heights High School students. The members of this group have won high honors in state competition because of their outstanding musical abilities. During the year this organization has established a fine record by playing at assemblies and participating in other school activities. We are proud of the Swing Band and its director.

PIGSKIN HIGHLIGHTS OF 1946

This season Alamo Heights had one of its most successful teams in recent years.

The Mules opened the 'season on home sod with an impressive 24-0 victory over Coach Cameron Harris' Lockhart Lions. Bobby Jones, last year's all-district center, furnished the evening's outstanding play when he intercepted a Lockhart pass and scampered 45 yards for a touch-down.

Alamo Heights' next journeyed to Brady for its first out of town engagement. The Mules came home on the long end of a 33-7 score with every member of the squad seeing action.

Coach Martin's crafty gridsters overpowered the South San Antonio Bobcats to the tune of 46-0 in the first district game. Ray Erben sparked the victors with his shifty running and deadly passing.

The hopelessly outclassed Lanier Voks fought to no avail as the Mules cantered to a 36-0 victory at Alamo stadium. The Mules soundly trounced the Thomas A. Edison Golden Bears 47-13 in the annual grudge classic on October 18. Pete Erben plowed across from the 4 yard strip for the first score after a sustained drive had carried 61 yards in 7 plays.

Playing their second out-of-town tussle, the Heights eleven encountered stiffer opposition than was expected from the Georgetown ball club. However the Mules successfully whitewashed the host team by a score of 13-0.

By handing the Hot Wells Blue Devils a 19-0 setback, Alamo Heights continued to plow down the undefeated trail. The Mules demonstrated their ability to rise to the occasion when they staved off three Hot Wells drives within the 15 yard line.

The undefeated Mules were put to their most severe test when they outscored the Burbank Bulldogs 14-7 in a thrill-drenched struggle. After the Bulldogs had tied the score at 7-7 on the first play after the ensuing Burbank kick-off, Tom Green, aided by stiff blocking from Bill Read and Pete Erben, raced 59 yards for the winning touchdown, Ray Erben added the extra point.

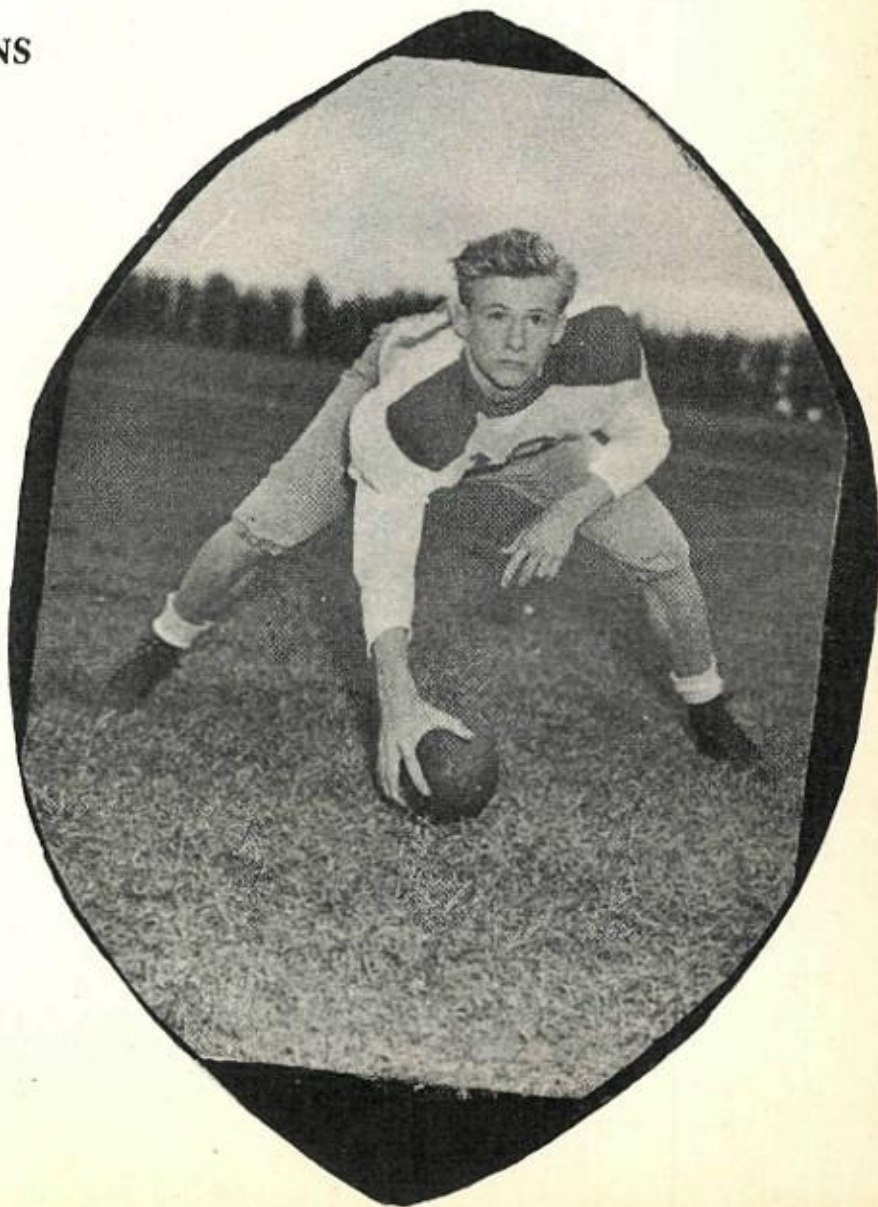

Hard-driving backs and a superior line proved to be too much as the inspired Harlendale Indians, who had previously been upset by Burbank, overpowered the Mules 13-0 to again win the district crown. The stubborn Indians defense held the Heights eleven in check throughout the game.

Alamo Heights all-district selections are lineman Donald Thome, Herbert Sauer, Bobby Jones and back Raymond Erben.

RAYMOND ERBEN — triple-threat back, three year letterman — all-district spark plug.

BOBBY JONES — twice all-district, defensive analyst, occupies the pivot slot.

League-leading Brackenridge High school "B" team will face the Alamo Heights "B" eleven in the feature scrap of four Alamo league football games Thursday afternoon. The Eaglets and Heightsmen meet on the Brackenridge field.

In other league tussles, all of which start at 3:45, Harlandale "B" plays at Jefferson. Lanier "B" visits the Tech Billy Goats at Tech field, and Burbank "B" tackles Central Catholic at Brackenridge.

FUTURE VARSITY TEAM

Heights 'B' Team Looking for Game

Coach Joe Guillory of the Alamo Heights "B" eleven is anxious to book a game for next Friday, preferably out of town and at night. Guillory can be reached either by mail or phone.

COACH GUILLORY

Alamo League
The Alamo league, which has been in existence for many years, has a long and successful record. The league is composed of several high schools in the Alamo area, and the teams compete for the Alamo League Championship. The league is very popular, and the games are always well attended.

The Eaglets were defeated by the Jefferson team in the first game of the season. The game was a close one, with the Eaglets leading for most of the first half. However, Jefferson came back in the second half and won the game. The Eaglets will be looking for revenge in their next game.

In Tuesday's games, the Alamo Heights "B" team defeated the Burbank team. The game was a blowout, with Alamo Heights scoring 14 points to Burbank's 0. The team is looking good and is confident of winning the league championship.

Tech jumped into a period lead over Peacock Fowls and Tech in a 13-13 deadlock. The game was a very close one, with both teams having chances to score. In the fourth quarter, Tech scored a touchdown and won the game. The Alamo Heights "B" team will be looking for a similar performance in their next game.

Front Row, Left to Right: Donald O'Brien, Walter Jessee, Walter De Lange, Everett Johnson, Bartlett Cocke, "Sonny" Fallon, Dickie Pinson, Jimmy McCarth.

Middle Row, Left to Right: Coach Joe Gillory, Sam King, Penny Jackson, Clinton Hierholzer, Bobby Rigney, Leslie Spencer, Phillip Burger, Gerald Robinson.

Back Row, Left to Right: George Warzbach Manager, Albert Martinez, Keith Harvey, Frank Bowman, Frank Roberts, Charles Lebrecht, George Peyton, Robert Sandler.

In the second half, the Eaglets scored a touchdown and won the game. The game was a very close one, with both teams having chances to score. The Eaglets will be looking for a similar performance in their next game.

INTRAMURAL FOOTBALL

The past year has seen many new things installed in the Physical Education Department. One of the newest and most unique has been the Intramural Football League. The idea was conceived by Warren Caldwell, who subsequently became League Commissioner. Teams were made up from all the Physical Education classes, with the second period team finally emerging the champions.

In the first game the second period team played a team composed of boys from the first and third periods. This game was a runaway for the second period--the final score being 33-7. The game was high-lighted when Jim Jarmon, ace passer of the first and third periods, took a short pass and scampered 60 yards down the sideline, outdistancing the opposing secondary, for a touchdown.

Pat Pogue's fourth period team finally sallied forth as the threat to the second period supremacy; but the passing arm of "Brownie" Caldwell and the receiving of glue-fingered Virg Steele carried the team to victory with a second period touchdown. Outstanding lineman for the second period were "Hefty" Dan Allensworth, a hard-charging tackle, and "Bulldog" Bob Scott, dependable center. It is certainly to be hoped that now that the seed of Intramural Football has been planted, that it will continue to bear fruit throughout the coming years.

CLUB NEWS

At the beginning of this school year, a Girls' Bowling Club, under the sponsorship of Mrs. Reid, was organized for the first time in the history of Heights with membership limited to Juniors and Seniors. For the short time the club has been active it has proved to be one of the most popular clubs in school and certainly one of the most entertaining for the girls.

AROUND

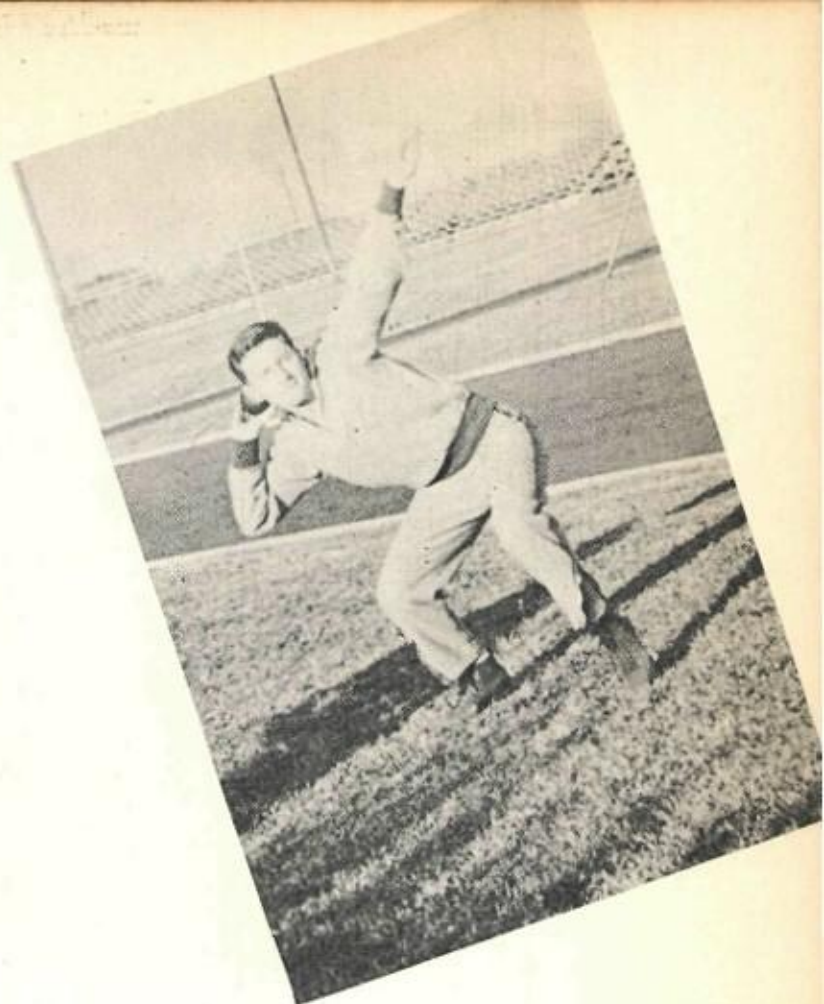

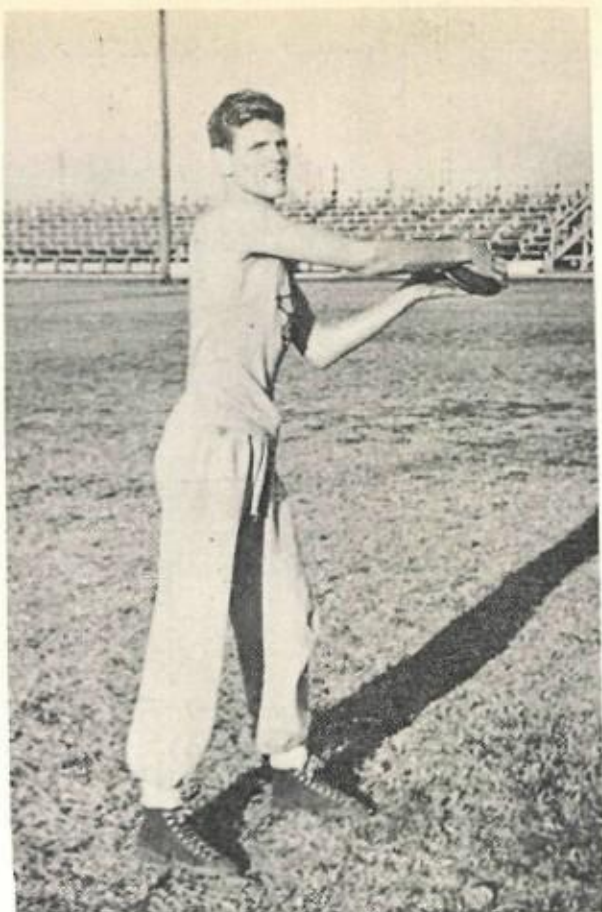

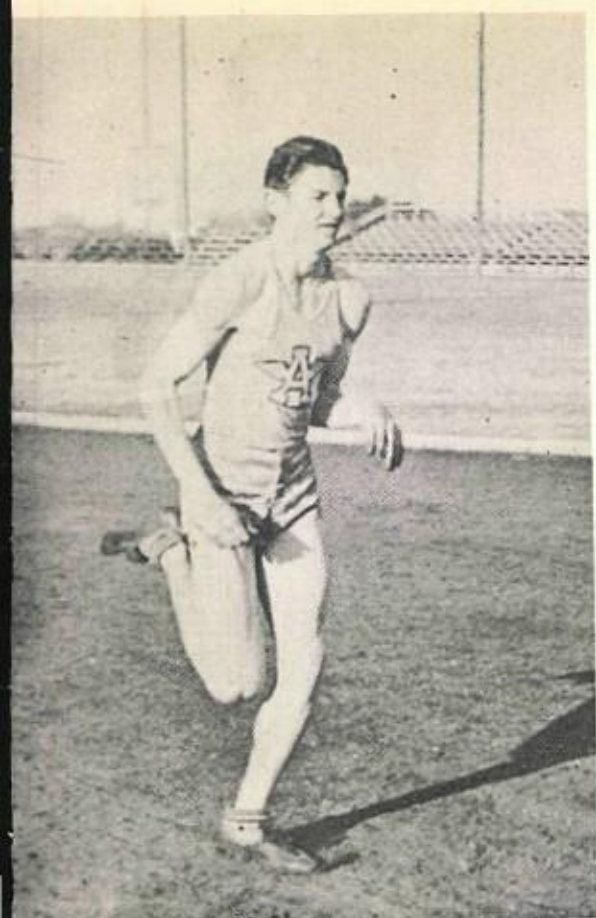

Due to a severe flu epidemic, Alamo Heights had only two representatives, Tom Smith and Melvin Stowe, at the initial meet of the season, the Border Olympics.

The Mules coped seven points in their second outing of the season at the Edison Invitational. Ross Youngs snared third in the century and fourth in the 220. The 440 yard relay team, Bobby Jones, Warren Caldwell, Charlie Lebrecht, and Ross Youngs, finished second. Ray Erben placed fourth in the shot put.

THE TRACK

The Alamo Heights Invitation Track Meet, one of the outstanding athletic events in S. Texas took place in March. Although the local team had participants in a number of events, the mile relay team, Youngs, Harvey, Lebrecht, and Jones, were the only winners--third in that event.

Stowe, Smith, Thome, Irvin, Harvey, Geraghty, and Lebrecht represented the Mules at the Texas Relays, a meet which draws outstanding track men from throughout the United States.

CAGE RECORDS OF THE GYMLESS MULES

An inexperienced aggregation of Alamo Heights Mules dropped their first encounter of the 1947 season to the Edison Golden Bears by a score of 50 to 15. The end of the first half found the Mules determined to leave the District 28-A cellar. The Sam Houston Cherokees were the first to fall before the vicious onslaught of the victory-bound Mules. The score as the whistle ended the thrill packed tussle was 41 to 37. The Mules' second engagement with Edison found a vastly improved five battling down to the wire with Edison finally eking out a slim 29-24 victory. An upset victory over the surprised Hot Wells Blue Devils enabled the Heights quintet to post their first District 28-A victory in two years. The Mules forged ahead in the first few seconds of play and never relinquished the lead. Next year, with the acquisition of a new gym, the Mules should be found high in the list of contenders for the 28-A flag.

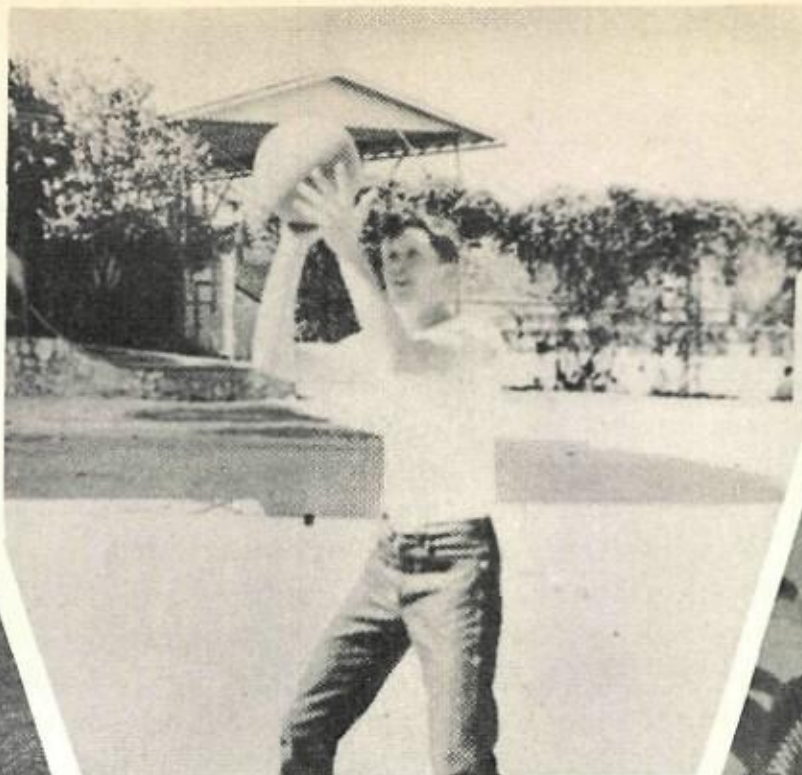

Front Row-L. to R: Jim McCarthy, Bobby Jones, Raymond Erben, Warren Caldwell, and Bob Kotzebue.
